

Endre Pedersen **Senior Managing Director, Fixed Income**

Endre is Head of Fixed Income for Manulife Asset Management's South Asia offices and lead manager for the company's pan-Asian fixed income strategies.

Endre has broad experience in developed Asian markets, having managed single-currency funds denominated in Singapore dollars, Japanese yen and US dollars. He has also managed global funds with active currency overlay and significant portfolio allocations to Asian sovereign debt and corporate credits. Prior to joining Manulife Asset Management, Endre worked as a Senior Fixed Income Portfolio Manager for DBS Asset Management Ltd. Previous to this, he was a Fixed Income Portfolio Manager for Hermes Investment Management Ltd and F&C Management Ltd in London.

Endre's track record as lead portfolio manager for Manulife Asset Management's Asia Total Return strategy was recognised at The Asset Triple A Investment Awards 2013 where Endre was named "Long-Only Fixed Income Manager of the Year".

Endre holds a Bachelor of Finance from the Strathclyde Business School at the University of Strathclyde, Scotland.
